RAVE REVIEWS

"There is a distinct difference in the grace on Stanley and Karen's life in the area of marriage. I dare say, it's a tangible glory!"

T. H. Johnson

"Thirteen (13) years ago, Stanley & Karen blessed us at a conference by sharing their story of how God set them up for their marriage. Their impact laid the foundation for us. Today, we have been married for eight years, and we are still applying their wisdom."
